

## HRSDC AND SC RESTRICTIONS - PROJECT AUTHORITY (COLUMN 6)

The Treasury Board Policy on Project Approval (Appendix E) sets departmental limits on projects (IT, real property, and non-IT projects) above which Treasury Board approval must be sought. In accordance with this Appendix, Treasury Board has provided to HRSDC the following authorities for projects, capital projects, lease projects and information technology projects:

- \$ 1M - Real Property
- \$ 5M - New Information Management / Information Technology
- \$ 10M - Replacement of Existing Information Management / Information Technology
- \$ 1M - All other projects

“F” reflects full authority within the limits dictated by Appendix E of the Treasury Board Policy on Project Approval.
